TLC Advantage Fee Schedule Rates

Provider's negotiated rates for purposes of the TLC Advantage Participating Provider Agreement shall be determined as follows:

1. For any particular product or service provided to a Covered Person, the negotiated rate shall be the lower of the following:

   a. 75% of Provider's then current standard rate for such service or product;

   b. A rate equal to or less than Provider's lowest current network fee schedule excluding Medicare or Medicaid.

   c. If the service or product is provided in connection with a claim covered by workers compensation, the reimbursement shall be the lesser of the Provider's billed charges or 75% of the applicable state workers compensation fee schedule.

2. If a particular service or product is not covered by the fee schedules issued by the South Dakota Department of Labor (if the service or product is provided in connection with a claim covered by workers compensation laws in South Dakota), the Negotiated Rate shall be 85% of Provider's then current standard rate for such service or product.
