NOVANET INC

NovaNet Inc (NovaNet) is a national network that may include third party administrators, national payors and insurance companies with PPO products only. Through NovaNet, our providers will be eligible to receive referrals from members in **Alabama, Florida and a small portion of South Carolina.**

For health services rendered to a participant, the fee schedule is 140% of the allowable charges based on the Georgia current year's RBRVS. If the provider's billed charges are less than 140% of the Georgia Medicare rate, the provider's charges will be discounted 15%.
